## Classroom Rules

The general rule for this classroom is to **BE RESPECTFUL!!** As your teacher it is my personal goal to always show you the respect you deserve. In return, I expect you to show that same level of respect. You will be expected to:

1. Respect your fellow students
  2. Respect this classroom
  3. Respect the areas that are "off limits"
  4. Respect other people's artwork
  5. Do not deface school property
  6. No food without permission; drinks must have lid
  7. **CELL PHONES, MP3 PLAYERS, AND BACKPACKS WILL NOT BE PERMITTED IN CLASS WITHOUT EXPRESSED PERMISSION**
- Many people have worked very hard to make your creative environment an attractive one. It is expected that you will respect this classroom and its equipment, furniture and all artwork displayed in it. Please do not write on the desks, walls or chairs!! Any damage will be considered an infraction of school rules and those involved will be punished accordingly.
  - Please be courteous to me and to your classmates by not interrupting or speaking out of turn. When I ask for your attention, I expect it.
  - Because of the nature of the classroom and the chemicals sometimes used in class, there will be no food allowed in class without specific approval. All drinks must have a lid.
- You will be graded on participation daily (4 points a day, or 20 points a week)
  - Keep working until it is time to clean up
  - Passes are for emergencies only!!
  - Please stay in your seat until the bell rings for dismissal

# Classroom Procedures

The following procedures need to be observed to allow for a rewarding, enriching, and creative experience.

- All students will be given a daily grade based on the following: working on your assignments until the end of class, cleaning up after finishing, and behaving appropriately. If these expectations are not met, not only will your grade suffer, a phone call may be made to your parent or guardian, and possibly an administration.
- All students are expected to work in class until it is time to clean up for the day, which will be 5 minutes before the end of class (unless otherwise directed by me). You must remain in your seats to be dismissed as a class. Do not get up and line up at the door!!
- I understand life can be busy and there may be times when you may fall behind. For this reason I will allow extensions on a case-by-case basis. Please use your class time wisely because the possibility of an extension on late work is in no way a guarantee.
- Each student will be allowed 8 passes per grading period. Use your passes wisely because when you run out you will not be issued more.
- ARTWORK FEE: There is a \$15.00 artwork fee for ART 1, or a \$20.00 artwork fee for all other art classes, students must pay each semester in order to keep the artwork created in this course. These funds are used to purchase supplies for future projects and they are crucial for the art department. This can be cash or a check made out to Owosso High School and is due on the first day of each semester. This lab fee allows students to use better quality paper, paint, chalks, and tools. These materials give better results, last longer, and foster professional attitude toward individual student artwork.

Extra credit will be offered from time to time. (Please take advantage of these opportunities. I do award an A+ when it is earned.)

I understand and accept the above rules and procedures.
